Our genuine hand-forged wrought iron masterpieces are unique and made with strong materials that radiate power and strength, made using the traditional method of hammering by hand as blacksmiths from centuries ago. From rough forging into fine pieces of art, the special products created in our workshop are always of the highest quality and workmanship.

We will help you to achieve the perfect look for your windows.

All of our products are decorative, yet functional.

Featuring hand-crafted drapery rods, finials, and ornaments, Galiart offers an array of elaborate window treatment styles to suit any décor.

Galiart can accommodate custom orders and all of our pieces are custom made to your specifications.

Since 1987, our commitment has been to provide the finest iron works in the industry at reasonable cost. Please browse our site and contact us for more information.
